ROLINE 19 inch shelf 1 U 700 T 50 kg black

The permanently installable shelves can be easily attached to the four 19" profile rails of your 19" network or server enclosure. They are made of sturdy, perforated sheet metal and have a load capacity of up to 50 kg, making them the ideal storage surface for components that cannot be installed in 19" racks. The mounting rails can be adjusted as required.
