Product No.	26.21.0199
Manufacturer	ROLINE
Manufacturer No.	26.21.0199
EAN (single piece)	7630049602021

ROLINE 10 inch shelf 1 U 200 T grey

The 10" shelves from ROLINE are made of perforated sheet metal and can be easily mounted on the front 10" profiles. The mounting material is included in the scope of delivery. Use the ROLINE 10" shelves for the secure storage of components that are not to be mounted directly in the 10" enclosure.

The colouring is done using electrostatic powder coating in the standard colours grey (RAL 7035) and black (RAL 9005). Removable side and rear panels as well as a lockable and removable front door improve accessibility. It is possible to change the door hinge. Thanks to their demountable design, the cabinets can also be completely dismantled if required.

Technical specifications

Manufacturer	ROLINE
